

## English

We will be exploring the whole world through a series of adventures in Key countries on each of the 7 continents.

We will be recording our discoveries in journals and diary entries along the way.

## Topic

This term we are continuing to focus on World Explorers.

We will be looking at famous explorers, their discoveries and the impact that they have made on our modern world.

To assist in this we will use maps and atlases to track the journeys of these explorers across the continents and oceans

## P.E.

This term's PE lessons will focus on preparation for Sports Day, with the children practicing running races, javelin, beanbag throw and the all-important 'Egg and Spoon' races!

## School Value

### PRIDE

This term we will be combining everything we have learnt about our values to ensure we have PRIDE in everything we do.

## Maths

We will continue to explore place value up to 100, and begin to use money in a range of situations, as well as learning to tell the time!

We will be exploring this practically in a range of ways, as well as answering word problems that cause us to use reasoning to explain our answers.

## Science

This term's science will continue involve investigating materials; testing them for their physical properties and evaluating which would be best for use in creating a parachute and safe landing site.

## Art/DT

Our creative projects this term will involve using traditional techniques from around the world..

We will also be designing and constructing a parachute to allow our explorers to safely land in their newly discovered lands.

## R.E./ P.H.S. E

This term our R.E. topic will focus on world beliefs and creation stories, looking closely at how different cultures and religions view the creation of the Earth.

Year 1 Term 6

Where children come first!
