

English

Our class text is 'Jelly Boots Smelly Boots' by Michael Rosen. We will be reading a variety of poems by Michael Rosen and learning them to perform to the rest of the class.

We will also be practising our reading comprehensions to prepare us for our SATs.

School Value

Excellence

This will be taught through PSHE lessons and by striving to be the best we can be in everything we do.

Maths

In maths we will be looking at measures. We will be measuring in length (mm/cm/m), weight (g/kg), capacity (ml/l) and time. We will be comparing different measures using symbols for greater than, less than and equal to.

Topic

Our topic this term will be Secret Agent Training Service (SATs)!

We will be working really hard on our SATs this term and solving secret agent puzzles alongside. We will be learning to crack codes, find solutions to problems and solve riddles.

Year 2 Term 5

Science

Science this term focuses on plants and how they grow. We will be growing our own sunflowers, observing how they grow and what they need to grow.

P.E.

In P.E. we are going to be learning about athletics and practising a range of athletics skills in preparation for our Sports Day.

Art/DT

Our art focus this term will be on Van Gogh's famous painting of sunflowers. We will be using pastels to recreate these as this links to our science.

R.E.

Our focus in R.E. this term will continue to be Christianity. We will be learning more about the Bible and what some of the messages are behind the stories in the Bible.

Where children come first!
