

English

This term we will be starting by looking at the text 'The Lost Happy Endings' from this children will look at how to build a story, including character and setting descriptions. We will then go on to write our own stories. There is a strong focus on quality of writing.

Spellings will continue to be sent home on a weekly basis.

School Value

Determination

This will be taught through PSHE lessons and also by having a can do attitude which will be applied to all of our work.

Maths

This term's Maths will include learning to solve problems involving time and fractions with a focus on reasoning and explanation as well as calculations. As always we will be combining this with developing our knowledge of times tables and their corresponding division facts.

Topic

Due to a strong science curriculum this term, we will not be carrying out discrete topic work.

Science

This term we will be studying forces. We will be conducting lots of practical investigations to help us discover how forces have an impact on objects, and explaining what we have seen.

Where children come first!

P.E.

This term we will continue to swim on a weekly basis. Children will also be taught gymnastics once a week by Premier Sports.

Art/DT

This term our art will be based around the story of Easter.

R.E.

This term we will be learning about inspirational people throughout different religions, with a focus on how they have inspired future generations.
