

English.

This term we will be starting by looking at the text 'The Hodgeheg' By Dick King-Smith, linking with our topic work.

We will be writing newspaper reports based on the accident at the beginning of the story, and will also write non chronological reports on animals in different habitats.

There continues to be a weekly Spelling focus, whole class reading lesson and practise of core punctuation and grammar skills

Topic

This term we will be linking our science and topic work to look at habitats across the world, including both human and animal.

P.E.

This term we will continue to swim on a weekly basis. Children will also be taught athletics on a weekly basis.

School Value

Excellence

This will be taught through PSHE lessons and by striving to be the best we can be in everything we do.

Year 4 Term 5

Where children come first!

Art/DT

This term we will be making hedgehog houses, linked to our topic work.

Maths

This term's Maths will include learning to solve problems involving decimals and money. We will have an increased focus on continuing to use the four operations (adding, subtracting, multiplying and dividing) and solving word problems.

Science

This term we will be studying animals and their habitats. This will include looking at how an animal is suited to its habitat, and how scientists identify different animals. We will be spending time exploring the habitats around the school.

R.E.

This term we will be learning about inspirational people throughout different religions, with a focus on how they have inspired future generations.
