

English

This term we will be starting to read 'Noah Barleywater runs away' by John Boyne.

Within our writing we will have a strong focus on sentence structure and the use of key grammatical features within our writing.

Spellings will continue to be sent home on a weekly basis.

School Value

PRIDE

This term we will be combining everything we have learnt about our values to ensure we have PRIDE in everything we do.

Maths

This term's Maths will include learning to solve problems involving shape and statistics with a focus on reasoning and explanation. We continue to recap our prior learning of the four operations and fractions. As always we will be combining this with developing our knowledge of times tables and their corresponding division facts.

Topic

This term we will be comparing the UK with another European destination (Germany,) we will look at similarities and differences between the two countries including the physical geography, weather and primary school experiences for those that live there.

Science

This term we will be studying sound. We will be conducting lots of practical investigations to help us discover how different sounds are made, including how we can change the pitch of sounds, and how we hear.

Where children come first!

P.E.

This term we will continue to swim on a weekly basis. Children will also be taught athletics once a week by Premier Sports in preparation for our school sports day.

Art/DT

We will be making musical instruments linked to our science topic on sound.

R.E.

This term we will be learning about the five pillars of Islam, and how they affect the daily lives of Muslims.
