

English

In English, we will be studying the book 'Holes' by Louis Sachar. We will also be writing newspaper reports and diary entries.

School Value

Determination

This will be taught during our class and whole-school assemblies.

Maths

In maths this half term we will continue to follow the White Rose Scheme. This will see us studying the concepts of converting measures, perimeter, area, volume and ratio.

Topic

We do not have a history or geography topic this term due to SATS preparation.

Year 6 Term 4

Science

We do not have a science topic this term due to SATS preparation.

Where children come first!

P.E.

In P.E. we will be further developing our football skills.

Art/DT

We will be learning how to use acrylics and experimenting with the different effects which can be achieved through stippling, scumbling and gradient blending.

R.E.

In R.E. we will be focusing on Christianity: Worship & Pilgrimage as well as Lent and Easter.
