

Term 6 Learning Overview Year 2

Sensational Safari

Life Cycle of a Bean

Year 2

Enjoy researching your new topics and explore the key questions listed below.

Science Plants

- *What are seeds and bulbs? How do they grow into mature plants?*
- *Why do plants need water, light and the right temperature to grow and stay healthy?*
- *What happens if plants don't have the right conditions for growth?*
- *How can we observe and record plant growth using simple equipment?*

Geography Comparing human and physical geography

- *What are the similarities and differences between Staplehurst, UK and Mugaremo Village, Zambia?*
- *Where are they located on a map of the world?*
- *How do the climate, natural resources and physical features differ?*
- *How do people live in each place? What is the same? What is different?*
- *How can you record what you find out?*

RE 'Islam and Christianity'

- *What can we learn from sacred books? What sacred books did you look at in Term 5? Why are they sacred?*
- *Why are the Qur'an and the Bible important? What are the differences between the two?*
- *Which stories are special and why? Did you come across any other special stories?*
- *What links can be made between messages within sacred texts and the way people live?*

Art Developing techniques: line and colour

- *Plants: How can you draw using lines of different size and thickness? What materials can you use?*
- *African Savannah Silhouettes: Which primary colours can you mix to make secondary colours? How can you change the silhouettes to make the animals look closer or further away?*
- *What effects can you create with thick or thin brushes?*

Optional and Supporting Resources:

Additionally, you might like to consider:

- To support Geography please use <https://www.oddizzi.com/teachers/explore-the-world/global-knowledge/mugurameno/>
- Making Djembe drums using recycled materials.
- https://www.google.co.uk/intl/en_uk/earth/ - can you use Google Earth with your child to explore the Mugaremo Village in Zambia?
- <https://www.natgeokids.com/uk/?s=african+animals> – use National Geographic Kids to explore and learn more about African Animals
- Henri Rousseau is an artist where most of his work is set in a jungle theme where animals are in the wild – can your child recreate one of his pieces?
- <https://www.africam.com/wildlife/> - this is a great resource to watch African animals live in their natural habitats
- https://www.aspinallfoundation.org/port-lympne/wildlife-park/animals/?_ga=2.91658009.2034669203.1589894804-718343084.1589894804 – we would have gone to Port Lympne for our school trip this term so this is a great website to explore their African animals further.
