Use the above link to access the RWI ebooks for free. You will need to create a free account to access these if you haven't already. Each group will need to access a different coloured book as below.

Remember to read one book a week and read each book 3 times over the course of the week.

Discuss the book, ask questions about the story. The 3rd read is a celebratory read where your child should try to read with more fluency and expression as they become more familiar with the story.
