

### Teacher Passport: Miss Underdown

I am Miss Underdown and I will be teaching the current EYG class in September.

Mrs Staines and Mrs Johnson will be teaching in the other year 1 class.

Mrs Bryant, Miss Siseman and Miss Dunne will also be working in our year group.

#### **What were your favourite subjects when you were at school?**

My favourite subject was music, I love singing and listening to different genres of music. I also really enjoyed English, I like writing stories with lots of adventures!

#### **What is your favourite subject to teach?**

My favourite subject to teach is English, I enjoy hearing children's ideas and love to see creativity in their writing.

#### **What is your favourite book and why?**

My favourite book is 'I'm Not Scared, You're Scared!' by Seth Myers. I love this book because it highlights that it's okay to be scared, but also proves how having supportive friends can help you feel brave and try new things.

#### **What do you like best about teaching at Staplehurst?**

I love working at Staplehurst School as the children show a love for learning and represent the school beautifully showing their PRIDE values. I get to work with a supportive and passionate team of teachers and TAs, this makes it

such an enjoyable place to work. I like that our school has lots of space and great resources to help us learn in different ways!

**What did you want to be when you were younger?**

When I was primary school, I wanted to be an author! I love writing stories, especially about magic, dragons and spooky monsters. When I got a bit older, I realised that I enjoy helping others learn and knew that I could use my love for writing in my teaching.

**What hobbies do you enjoy?**

My favourite hobby is baking! I love to bake brownies and chocolate chip cookies! I really enjoy reading too, and I can't wait to read lots of different stories to my class this year.

**What three words would describe you?**

Creative, thoughtful and caring

**If you were on a desert island what two things would you take with you?**

I would take a radio; I love listening to music and singing along... even if I can't remember the words! I'd also take a cosy bean bag to sit on and my kindle so I could spend some time reading in the sunshine.

**Photographs of the classroom area.**
