

### Teacher Passport: Miss Knight

<p>I am Miss Knight and I will be teaching the current 2C class in September.</p> <p>We will be the new 3K Class.</p>	<p>Photo</p> 
<p>Miss Meredith will also be working in the year group.</p>	<p>Photos</p>

### What were your favourite subjects when you were at school?

When I was at school, my favourite subject was English because I loved reading stories and writing my own. I've always enjoyed creative subjects like art and dance, where I could use my imagination and express myself. I also loved subjects that got me outside and exploring, like geography and science – especially when we were learning about the natural world.

### What is your favourite subject to teach?

My favourite subject to teach is English because I love helping children discover the joy of reading and writing. It's amazing to see their creativity grow through stories and poems. I also really enjoy teaching science, geography, and history—especially when we can explore and learn about the world and its past together.

### What is your favourite book and why?

My favourite book is *Where the Fairies Fly* because I love the magical story and the beautiful illustrations. It's a wonderful tale that sparks imagination and takes you on a magical adventure. I enjoy sharing it with children because it encourages them to dream and believe in magic.

### What do you like best about teaching at Staplehurst?

This will be my first year teaching at Staplehurst, and I'm really looking forward to getting to know all the children and becoming part of the school community. I love creating a fun and supportive classroom where everyone feels happy and confident to learn. I also thoroughly enjoy teaching creative subjects and getting stuck into exciting projects. I'm especially looking forward to all the fun learning opportunities and making lots of great memories with the class.

**What did you want to be when you were younger?**

When I was younger, I really wanted to be a ballerina! I loved dancing and spent a lot of time practicing and performing. Dance has always been something I've been passionate about, and it's still a big part of my life today.

**What hobbies do you enjoy?**

My favourite hobby is dancing – I'm professionally trained and it's always been a big part of my life. I also enjoy running and I'm currently working towards completing a half marathon! I love going for long walks, especially with my dogs, and being outdoors in nature. I've had lots of different hobbies over the years, and I'm always up for trying something new.

**What three words would describe you?**

Kind, creative and curious.

**If you were on a desert island what two things would you take with you?**

I would take a good book to keep me entertained and my family, because being with the people you love makes any place feel like home

**Photographs of the classroom area.**
