English

Rapunzel by Bethan Woollvin

This term in English we will be exploring the traditional tale of Rapunzel.

In our writing we will be focusing on:

- Writing sentences using capital letters, finger spaces and full stops correctly.
- Using past tense verbs.
- Writing a recount of the story.

Geography

By answering the question **'What is the United Kingdom?'** the children will develop their:

- Locational knowledge of Staplehurst within the country, county, continent and the world.
- Knowledge of how the United Kingdom is split up into 4 countries.
- Understanding of continents and oceans.

P.E

This term the children will be learning about dance and will be learning to:

- Move our bodies in different ways.
- Link movements together to fit a theme.
- Observe and copy the dance routines of others.

Art

This term in Art we are learning about portraits.

- We will explore portraits by some famous artists.
- We will learn how to draw key facial features e.g. eyes, mouth and nose.
- We will create our own abstract self-portrait.

Our PRIDE values

A PRIDE value is a principle that guides our thinking and behaviour. We celebrate when children demonstrate these values and promote them through all that we do.

Our PRIDE value this term is: **Respect**

Our definition of respect: Respect means caring for other people, places and property

Year 1 Term 2

STAPLEHURST SCHOOL 1873

Where Children Come First

PSHE

This term we will be focusing on health and wellbeing:

- We will learn to understand our emotions.
- We will learn about the importance of handwashing and hygiene.
- We will find out about people who keep us healthy.

French

This term in French, we will be learning the names of different animals and practising our pronunciation. We will focus on developing our vocabulary and building confidence in speaking French.

Music

We will be learning and rehearsing our Christmas songs. We will explore how to use our voices effectively, focusing on singing clearly, keeping in time with the music and using expression.

Maths

Addition and Subtraction

- Addition: adding more, finding a part.
- Subtraction: finding a part, taking away by or crossing out, taking away on a number line.
- Comparing addition and subtraction statements.

Geometry: Shape

- Naming and recognising 2D and 3D shapes.
- Sorting and creating patterns using 2D and 3D shapes.
- With a constant focus on learning and being able to use number bonds to 10.

Computing

- We will be learning how to log in to Purple Mash, using our logins.
- We will be exploring different ways of sorting shapes using a range of criteria.
- We will then use Purple Mash to sort shapes by different properties.

Religious Education

This term we will be looking to answer the question 'What does it mean to be a Christian?'

The children will:

- Discuss what believing in God means.
- Explore how Christians talk to God.
- Learn about worship and where Christians worship God

Science

This term we are answering the question 'Are all humans the same?'

Our enquiry will involve observing eye colour and hair colour.

- We will be learning more about each animal group (insects, amphibians and mammals including humans).
- Identifying different parts of the human body.
- Recognising the five senses.
