Where Children Come First

PSHE

- This term we will be exploring what 'citizenship' means. To do this we will:
 - Look at rules beyond school
 - Look at our school and local environment
 - Understand how people within our local community are similar yet different

Religious Education

- This term we will be looking at 'What do Christians believe about Christmas and Easter?'
- We will be exploring the Easter story and what it means to Christians.

Art

- This term we will be creating art using colour and abstraction inspired by music
- The children will:
 - Learn about Piet Mondrian and Kandinsky and their art styles
 - Know artists can be inspired by music
 - Create an abstract piece of art using watercolours and pastels

Music

This term, the children will be working on 'recognising different sounds'. They will be exploring the voices and instruments used within the music in this unit to identify how and how and when harmony takes place.

French

In French we will continue to speak, write and listen to words and phrases to discuss musical instruments in French.

Science

- This term we will be answering the question 'Are all foods good for us?'**
- To do this we will be:
 - Understand what nutrition is
 - Learn what makes a healthy diet
 - Discover food packaging and labels
 - Explore hygiene and importance of exercise
