

English

A different kind of Freedom—A Romani Story by Richard O' Neill

This term we will be focusing on writing a narrative. Children will:

- Reading, interpreting and understand the text.
- Writing setting descriptions using relative clauses and punctuation with dialogue to help move the story along

School Value - Excellence

A pride value is a principle that guides our thinking and behaviour. We celebrate when children demonstrate these values and promote them through all that we do.

Our Pride Value this term is: Excellence

Excellence is about striving to be the very best version of ourselves in all that we do—by trying our best, learning from mistakes, showing kindness and respect, staying curious, and believing in ourselves. We celebrate Excellence through high-quality work, strong effort, and achievements both in and beyond school, as well as by making positive contributions to the community and taking pride in our environment and resources.

Maths

Shapes

Angles

Classifying and measuring angles

Calculating angles

Regular and irregular polygons

3 D Shapes

Co-ordinates

Read and plot coordinates

Problem solving

Translation

History

By answering the question 'How did the Industrial Revolution change Britain?' The children will develop their knowledge of:

- When and what the Industrial Revolution was.
- How it changed the population, living conditions and working lives of the British people.
- The changes in technology which made making things and moving things around the country easier.

Year 5

Term 5

Where Children Come First

Computing

This term we will continue exploring coding

- Using algorithms
- Speed
- Adding and changing the sprites on our codes
- Simplifying our codes to make sure it is easy to read a write.

P.E.

- This term the children will be developing their health and fitness stance.
- Pupils will perform and repeat sequences with clear shapes and movement.
- Use and apply a range of skills with control and accuracy.
- Linking actions with flow.

PSHE

Economic Well being

The children will learn how to budget

Handling money online

Challenging workplace stereotypes

Religious Education

This term we will be beginning our work on Islam and Social Action.

We will be looking at how climate change is important to Muslims, what stewardship is within Islam, how mosques respond to climate change and how climate change can affect the hajj.

Art

This term we will be learning about storyboarding, inspired by the work of L S Lowry and Chioma Opara. The children will work on their observation skills, as well as painting with watercolours, line drawing and mark making.

Music

This term, we will continue working on listening and responding to music. We will sing songs and also accompany them by playing the chime bars. We will also be learning what the terms 'forte' and 'piano' mean.

French

In French we will speak, write and listen to words and phrases to discuss our home and where we live using 'J'habite dans ...' in Chez Moi.

Science

This term we are learning about the states of matter focusing on:

How can you change between states of matter?

How can you separate materials?
