

English

This term we will write non-chronological reports based around our topic of Civil Rights:

- Write an informative text

Rose Blanche – Roberto Innocenti

- This graphic novel set in Nazi Germany will be used to write an emotive diary entry showing change in tone and mood over the course of the war,

School Value - Excellence

A pride value is a principle that guides our thinking and behaviour. We celebrate when children demonstrate these values and promote them through all that we do.

Our Pride Value this term is: Excellence

Excellence is about striving to be the very best version of ourselves in all that we do—by trying our best, learning from mistakes, showing kindness and respect, staying curious, and believing in ourselves. We celebrate Excellence through high-quality work, strong effort, and achievements both in and beyond school, as well as by making positive contributions to the community and taking pride in our environment and resources.

Maths

Fractions, Decimals and Percentages

- Adding, subtracting and multiplying fractions and decimals
- Finding fractions and percentages of amounts
- Converting between fractions, decimals and percentages.

Measurement, Perimeter and Volume

- Find the area of irregular shapes, triangles parallelograms and trapeziums.
- Calculating volume

History

By answering the question 'What was the impact of the Second World War on modern life?', children will learn:

- What led to the outbreak of war in 1939,
- The effect that the Blitz, had on the UK
- What life was like for evacuees
- How propaganda was used to influence people, and compare this to the use of propaganda during the COVID pandemic.

Computing

This term children will build on their coding learning to write their own text adventures . Their learning will focus on:

- Designing and making a story-based adventure game
- Coding using a map

P.E.

Health and fitness unit

This term the children will be:

- Considering their stance and footwork when applying it to athletic activities.

The children will be taking part in sports day at the end of the term.

Where Children Come First

PSHE

Economic wellbeing

This term the children will be considering:

- Feelings about money.
- How to keep money safe.
- Financial futures.

Music– Improvising with Confidence

We will explore improvisation. The children will think about phrasing and dynamics and compose music including the features from the music they have listened to.

French

In French this term the children will be completing the unit 'Weather', they will learn vocabulary which will allow them to describe and have a conversation about their weather.

Swimming

In addition to their PE provision, this term the children will be learning to:

- Swim competently, confidently and proficiently over a distance of at least 25 meters
- Use a range of strokes effectively [for example, front crawl, back-stroke and breaststroke]
- Perform safe self-rescue in different water-based situations.

Art

In Art, the children will be mastering animation software to tell the story of school. They will use storyboarding to sequence their journey through school, explore the work of animation artists and use this as inspiration to bring their memories to life, using stop motion animation.

Science

- This term we will be learning about light. Children will learn to:
- recognise that light appears to travel in straight lines and to use the idea that light travels in straight lines to explain that objects are seen because they give out or reflect light into the eye
- explain that we see things because light travels from light sources to our eyes or from light sources to objects and then to our eyes
- use the idea that light travels in straight lines to explain why shadows have the same shape as the objects that cast them
