

Staplehurst School Curriculum Overview 2024-25: EYFS

The EYFS curriculum is a planned programme of learning opportunities to help all children make progress towards a set of Early Learning Goals. These goals outline the skills, understanding, knowledge and attitudes that is expected at the end of the EYFS.

Maths (taught through White Rose), phonics (taught through Read, Write, inc) and PE, are taught separately and discretely. Literacy is taught through the key texts. We use Charanga for our music curriculum. Continuous provision provides opportunities for learning in all areas of the EYFS curriculum.
